2021 Spiritus Sanctus Academy Benefit Gala - Sponsorship/Donation Request

Dear Sir or Madame,

We cordially invite you to be a supporter of the **25th Annual Spiritus Sanctus Academy Benefit Gala** scheduled to be held **virtually on April 17, 2021**. Your organization can help us by purchasing an advertisement in our gala program and/or by providing a donation for one of our many Gala activities.

Spiritus Sanctus Academy is comprised of two private, Catholic Pre-K - 8 schools in the Ann Arbor and Plymouth areas of Southeast Michigan. The schools have been administrated by the Dominican Sisters of Mary, Mother of the Eucharist and staffed by priests, religious and laity for over 20 years. While placing a priority on Catholic faith development, Spiritus Sanctus Academy is committed to academic excellence. In partnership with its families, the Academy strives to nurture students in Truth by forming them spiritually, intellectually, physically and socially.

Our annual Benefit Gala is an important event for us. In addition to helping ensure the schools' financial obligations are met, the Gala raises additional funds to offer scholarships to those in need thereby making the schools accessible to families of varying economic standings. The Benefit Gala is the schools' primary fundraiser and offers a variety of unique items for both live and silent auctions, as well as our annual Benefit Raffle with a grand prize this year of \$10,000 cash! Our event is a great way to promote your business to hundreds of potential customers while supporting a great cause.

Thank you for your consideration of our request. Any support you can give to our schools is most greatly appreciated. For your records, please note the Spiritus Sanctus Academy tax identification number **38-2951387**.

The mailing address for all donations is:
