LETTER FROM

# *Mother Assumpta*

Dear Family and Friends of Spiritus Sanctus Academy,

It is with great pleasure that I welcome you to our 25th Annual Spiritus Sanctus Academy Benefit Gala. What better way could we mark our 25th Gala than by making it unique – such as holding it via livestream amid a global pandemic? No matter the venue, it is always truly a blessing to gather to thank God for His many gifts, especially for our Spiritus Sanctus Academies and our terrific families, students and staff. We are truly grateful for your gracious support of our schools – your enthusiastic generosity is vital in helping us to make our mission of forming the hearts, minds and souls of our students according to God's holy will a reality.

Much has transpired since last year's Gala. This has been a year of challenges, but also one of countless blessings, not the least of which is that we have been able to have our children with us in our schools since August! Our Gala theme of HOPE is certainly appropriate - hope is sorely needed by everyone in our world today, to be able to trust in the plans our Lord has for us – a future full of hope (Jer 29:11). We continue to strive to form the hearts, minds and souls of each of our precious students with deep faith, abiding hope and confident trust in God's loving providence for our Spiritus Sanctus Academies. Our mission of Catholic education is the result of a vital partnership with our dedicated and committed staff, our school families, our benefactors and friends.

This year we are delighted to present the 2021 Medal of Saint Dominic to Mr. Gordon Leipold. Gordon has been a stalwart supporter of our community and the Spiritus Sanctus Academies since their inception. Serving on our SSA School Board for a number of years, Gordon has always provided wise, sage and faith-filled counsel as he has supported our mission of Catholic education in the Dominican tradition. We are eternally grateful for Gordon's contributions to our schools and are glad to have the opportunity to honor him and express our gratitude for his goodness and prayerful support.

I also wish to express to all of our Spiritus Sanctus Academy parents our deepest, heartfelt gratitude for entrusting your precious children to us. We recognize the sacrifice and hope-filled trust it takes to provide them with a Catholic education. To our grandparents, extended family members, friends, sponsors and benefactors - thank you from the bottom of our hearts for your generous support of our schools. We are greatly encouraged by your goodness, and we acknowledge that our efforts simply would not be possible without your support.

Please be assured of our prayers for each of you; we humbly ask for your prayers for us as well as we continue in our highly important mission of forming future generations so that they will know and love our Lord and cherish the immense gift of our beautiful Catholic Faith. May our dear Lord abundantly bless each of you and your families, now and always.

Gratefully in Mary, Mother of the Eucharist,

*Mother Assumpta Long, O.P.*

# About Us

## SPIRITUS SANCTUS ACADEMY (SSA)

Spiritus Sanctus Academies (Latin for Holy Spirit) are private Catholic K-8 schools in the Ann Arbor and Plymouth areas of Southeast Michigan. The schools have been administered by the Dominican Sisters of Mary, Mother of the Eucharist and staffed by faith-filled laity for over 20 years. As the Faith is central to the schools, Mass and the Sacrament of Reconciliation are offered regularly, and with a chapel at the heart of each campus, students have frequent opportunities for Adoration of the Blessed Sacrament.

The mission of Spiritus Sanctus Academy is to create a unique educational environment in which learning and practicing the Truths of the Catholic Faith are central to the development of each child. In partnership with the families, the schools strive to provide a well-rounded Catholic education for their students, rooted in the Truths of the Faith, and the educational scholarship needed to prosper in the worldwide community of this millennium. Each student's individual talents and gifts are challenged and developed according to their capacity so that they might use them for the honor and glory of God, for their own spiritual and temporal good, and for the good of their neighbor.

## SPIRITUS SANCTUS ACADEMY SCHOLARSHIPS

Since its inception, Spiritus Sanctus Academy has sought to make Catholic education affordable to every family. The Rosary Scholarship was established by Mr. Thomas Monaghan to assist families to this end. In 1999, the Brusher Scholarship was created in memory of Paul Brusher, the son of Fred and Margaret Brusher. In 2013, Margaret Brusher gave another generous contribution in memory of their son, Patrick Brusher. Each year, families in need of financial assistance are awarded monies from one of these scholarships to subsidize their tuition. During the SSA Annual Benefit Gala, individuals are invited to contribute to these scholarship funds.

## HOLY SPIRIT FUND

The Spiritus Sanctus Academy Board established a distinct fund entitled the Holy Spirit Fund to provide a means for individuals to make tax-deductible donations to the school. The purpose of this fund is to proactively generate a source of revenue for the long-term stability of the schools. Since the schools are privately owned by the Dominican Sisters of Mary and not subsidized by the Diocese or a parish, the fiscal responsibility rests with the Sisters.

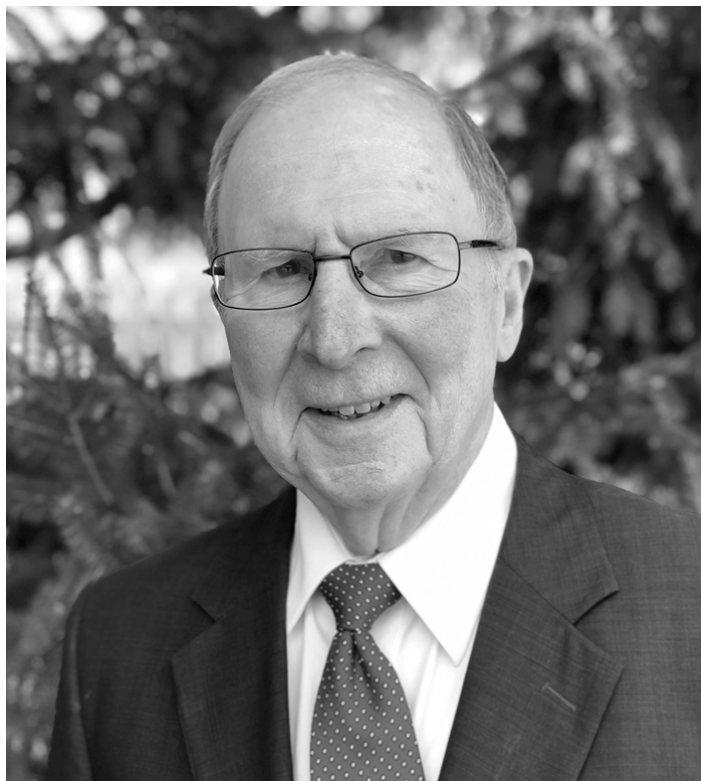

## THE MEDAL OF ST. DOMINIC

The Dominican Sisters of Mary, Mother of the Eucharist are pleased to present the Medal of St. Dominic each year at the SSA Annual Benefit Gala. This national award is given to a man, woman, or couple whose life show tireless effort in the service of God via profession or volunteerism, in the spirit of St. Dominic. The purpose of The Medal of St. Dominic is to raise awareness of the Dominican Sisters of Mary mission and to recognize individuals whose daily life reflects the Christian ideals promoted by Spiritus Sanctus Academy and who have lived out the mission in one or more of the following ways:

- Contributed to Spiritus Sanctus Academy in outstanding ways
- Made significant contributions in support of the mission of the Dominican Sisters of Mary
- Made significant humanitarian contributions to their community at large.

It is hoped that honoring individuals who fit this criteria will inspire others to a greater involvement in the mission of the schools and the Sisters.

THE DOMINICAN SISTERS OF MARY,  
MOTHER OF THE EUCHARIST, AND  
SPIRITUS SANCTUS ACADEMY  
ARE PROUD TO ANNOUNCE THIS  
YEAR'S ST. DOMINIC MEDAL HONOREE,

*Gordon Leipold*

Gordon was born in Pennsylvania and moved to Ohio in 1945 with his mother and sister to be near his maternal aunt after his father's death. Gordon met his wife, Nyla, while they were both attending college at Kent State University. They married in 1960 and in July of this year will be married 61 years! Gordon and Nyla started their married life in Washington, DC where Gordon attended graduate school while Nyla was employed teaching. After the birth of their first of four children, Gordon took a sales job with Fisher Scientific (now Thermo-Fisher Scientific).

After various moves to Boston, New York, and New Jersey, Gordon moved the family to Belgium. While there, Gordon and Nyla joined a Charismatic Christian Community that was born out of the relationship between Cardinal Leo Josef Suenens, a Belgian prelate, and the Word of God Charismatic Christian Community in Ann Arbor. Gordon and Nyla will never forget the Masses they and others participated in with Cardinal Suenens in his living room. Both Gordon and Nyla experienced a new level in their relationship with the Lord beginning at that time.

After six years in Brussels, Gordon was promoted to the position of Vice President of Supply and Transportation with Conoco Chemicals in Houston, Texas. In 1983, Gordon moved the family to Ann

Arbor to become a part of the Word of God Charismatic Christian Community joining what is now Christ the King Catholic Church. In 1990, after leaving the Word of God Community, Gordon and Nyla transitioned to the Word of Life Community where they are still active today.

In 1984, Gordon was hired by Tom Monaghan and over the next 29 years managed various business activities for Tom outside of his Domino's Pizza business. One of those activities involved starting several private Catholic Schools and working with the four foundresses of the Dominican Sisters of Mary, Mother of the Eucharist when they responded to Tom Monaghan's invitation to come to Ann Arbor. Gordon continued working with Tom, The Ave Maria Foundation and Domino's Farms until he retired in 2013 at the age of 75. He continues to be active in his community, his Church, several non-profit boards and even a start-up business.

Gordon has been a major supporter of Spiritus Sanctus Academy and has served on SSA's School Board for a number of years. We are so pleased to have the opportunity to honor Gordon and express our sincere gratitude for his many years of charity and generosity to the community of Spiritus Sanctus Academy!
